## How Do I Notify CHOOSE Act that a Student Has Withdrawn or Unenrolled from My School?

Participating Schools must notify ALDOR within 10 business days of a participating student's unenrollment, withdrawal, graduation, or other event that occurs, in which the student is no longer enrolled at the participating school.

To do so, use the **CHOOSE Act Alabama Student Un-Enrollment Form for Participating Schools** found in the **Participating School Resources** section on the CHOOSE Act Alabama website at chooseact.alabama.gov.

The form can also be found under the CHOOSE Act Alabama Participating School and ESP FAQ on the CHOOSE Act Alabama website.
