For a teacher to be able to file for reimbursement they will need to enter their banking information. They will do a penny test with the teacher prior to allowing a reimbursement. The information stays between ClassWallet's bank (Bank United) and the teacher's bank. The set-up process takes up to 1-2 business days. The information only needs to be entered on the first reimbursement.

7. What if a teacher wants to purchase something over the summer or with a vendor that is not a ClassWallet partner?

Teachers may purchase products at a vendor of their choice and submit the receipts. Purchases made over the summer can be submitted. The teacher will receive the reimbursement via ACH direct deposit into their checking account within 2 - 10 business days after district approval of the receipt.
